the rewards granted to the police and that for the whole amount should be paid by the Jahgirdar. He also suggests the desirability of taking over the entire management of the Jahgir police by Govt.

2) The I.G. of Police states that the general question of management is engaging his attention & that he will submit his proposals in the matter in due course. He is of opinion that the Jahgirdar's proposal to pay only half the amount of rewards granted to the police of the Jahgir is reasonable. He therefore suggests sanction to the arrangement pending the general question of the management of the Jahgir police.

3) It will be seen from the requisition slip put up that the file relating to the management of the Jahgir police is not available. A search for it in the Branch has proved fruitless.

K. R. SRINIVASA IYENGAR, Esq., M.A.,
Offg. Inspector-General of Police in Mysore.

To

C. S. Balasundaram Iyer Esquire, B.A.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

I have the honor to state that the Deputy Commissioner Mysore District having recommended the grant of a reward of R s.50/- to Sub Inspector K. R. Venkatarama Iyengar of the Yelandur Jahgir, for his prompt and successful detection of a case of murder in the Jahgir, in which the principal accused was sentenced to transportation for life and three others to three years' rigorous imprisonment each, the Jahgirdar was asked by me if he would be prepared to meet the expenditure in the event of the reward being sanctioned, to which he replied in his letter No.769 dated the 13th October 1917(copy of which is enclosed for reference) that in the absence of any definite and uniform practice in the matter, he would bear half the cost of the reward provided the other half was met by the State Police Department.

2. The Deputy Commissioner of Mysore was thereupon consulted by me in the matter; and he has, in his letter No. R.O.C. 1410 dated the 28th March 1918(copy herein enclosed for reference) given it as his opinion that as all Police charges of the Jahgir are now debited to the Jahgir revenues

(6

he does not see any justification for any portion of the reward being paid from State Funds. He has also, in this connection, suggested the desirability of the control over Police force of the Jahgir being taken over entirely by Government in the interests of efficiency and justice, instead of its being left in the hands of the Jahgirdar as at present. This question is however an important one which is receiving my attention and I shall submit definite proposals in the matter in due course in consultation with the Jahgirdar. In the meantime it seems to me that the arrangement proposed by the Jahgirdar of the charge of rewards sanctioned to Police officers and others in the Jahgir being borne in equal shares by the Jahgirdar and Government is reasonable and may be accepted; and I therefore request that sanction of Government may kindly be obtained to the arrangement pending the consideration of the larger and more general question of placing the Police administration of the Jahgir on a more satisfactory footing.

I have the honor to be,

Sir,

Your most obedient servant,

Srivastava

Soliciting orders of Government on the proposal of the Jahgir of Yelandur in the matter of rewards sanctioned to Police officers and others in the Jahgir being borne in equal shares by the Jahgirdar & Govt.

Letter No.769 dated 13th October 1917 from the Jahgirdar of Yelandur, to the Offg. Inspector General of Police in Mysore.

" With reference to your letter No.1651/Mis.219 dated 11/13th September 1917 enquiring whether in the matter of a reward of Rs.50/- as recommended by the Deputy Commissioner, Mysore District to Sub Inspector K. R. Venkatarama Iyengar of the Yelandur Jahgir I would be prepared to meet the expenditure in the event of the reward being sanctioned, I have the honor to state that in the absence of any definite and uniform practice in the matter it may perhaps be worth while to come to a clear understanding on the subject of reward payable to the Jahgir Police. I would accordingly be glad to bear half the cost of any reward that you may be pleased to sanction provided the Department will agree to bear the other half - an arrangement which is calculated to evenly maintain the balance of mutual co-operation and fair play. The present instance will of of course mark the beginning of the new arrangement; and I will issue a cheque for the amount in compliance there with on being favoured with your reply in the matter".

From Inspector General of Police.

Letter No.R.O.C.1410 dated the 28th March 1918 from the Deputy Commissioner, Mysore District, to the Inspector General of police in Mysore.

With reference to your letter No.5442/579 dated the 14/15th February 1918 in the matter of the payment of a reward to Sub Inspector K. R. Venkatarama Iyengar of the Yelandur Jahgir and asking for my opinion in respect of the proposals made by the Jahgirdar for dividing the charges equally between the Jahgir and the Government, I have the honor to state that as all Police charges of the Yelandur Jahgir are now debited to the Jahgir revenues, I do no see any justification for half the reward being paid from State Funds as proposed by the Jahgirdar. I may, however, state in this connection that in my opinion the Police force of the Yelandur Jahgir should be entirely maintained under the sole control of the Government authorities. It would be a truism to say that the duty of protection which a State owes to its citizens is one that cannot be handed over to an Inamdar who is an assignee of a certain amount of revenue. The existing arrangement under which the Police force of the Jahgir is appointed by the Jahgirdar and is subject to the control of the Police Superintendent and higher officers has not been working very satisfactorily and I think the time has come to re-consider the whole question and to take over the whole force entirely to Government. If this is done, no question like the one at present under discussion will arise".
